

Let It Ride Bonus

YOU WIN WITH A PAIR OF TENS OR BETTER

Bets

Each Player Places three (3) equal bets as indicated:

The Deal

Each Player receives three (3) cards.

The Play

You are not playing against the dealer or the other players.

You are simply trying to get the best possible poker hand by using your three cards and two cards, called "community cards," which the dealer will expose.

After looking at your first three (3) cards, you may ask for your first bet back or you may "Let It Ride."

The dealer then turns up one community card. You may then ask for your second bet back or you may "Let It Ride".

The second community card is then turned over by the dealer. At this point, all winning hands are paid according to the payout schedule on the table layout (pair of 10's or better, two pair, etc).

Players cannot show their hands to other players.

BET THE BUCK. WIN A BUNDLE.

Just put a Buck on the red circle, and if you hit a bonus hand* a bundle of cash is yours instantly.
