

Slots

Today's high-tech slot machines offer more lights, action and excitement than ever before and our casinos have them all: reel slots, video poker machines and more.

You'll find fun and excitement in our casinos as you play the most popular and advanced slot machines found in the gaming industry. You can play the slots with single or multiple coins. Putting in the maximum coins (2, 3 or 5 as marked) raises the payoff percentages to the player's advantage.

PROGRESSIVES

In our casinos, you will find exciting progressive games offering top jackpots which increase with each coin played. Many progressive slots are "linked," combining their jackpots for even larger payouts. You'll find them arranged in groups or "carousels" with running displays of the current jackpot.

You'll also find individual progressive machines, each building its own jackpot.

We have the highest paying progressive jackpot slot machines at sea. Megacash has already made a number of people very happy with its enormous payouts. One payout alone was over One Million Dollars!

JACKPOTS

Many of our casinos feature "Mystery Jackpots" such as Captain's Bonus where players can win a jackpot just for playing! Most top jackpots will be "handpaid" by an attendant. Our slot attendant will verify the payoff and give you a jackpot slip which can be redeemed at the cashier's cage. Jackpot winners will also receive a special complimentary casino T-shirt so that everybody onboard can see that you are one of our many lucky winners.

CREDITS

All of our machines pay winnings directly to a credit meter. You can then continue playing directly from the credit meter without the need to handle tokens. These credits may be cashed out at any time.

BILL ACCEPTORS

All of our slots are equipped with bill acceptors which accept most denominations. The cash is converted directly into machine credits or ease of play. For your convenience, there are also change machines located near those slot machines that do not have a bill acceptor.

SLOT TOURNAMENTS

Our slot tournaments are always a highlight of the cruise and are not to be missed. They provide fast-paced action and the chance to win cash and prizes. Be sure to visit the casino to find out the times of these very popular events.

Don't forget, if you have any questions or need any assistance, our staff will be happy to help you.

Ocean Players Club Responsible Gaming Program - Guests who prefer not to participate in casino gaming during their cruise may register with the Casino Manager, Casino Host or Cashier.
